- While creating a new project, provide an option to add the **PID number** after entering the **Customer (CX) name**.

The image shows a 'Create New Project' modal form. The form has a title 'Create New Project' and a subtitle 'Enter the project details to get started with your quotation.' Below the subtitle, there is a section for 'New Client Name' which contains a text input field with the placeholder 'Enter client name'. This section is highlighted with a red border. Below the 'New Client Name' section, there are two dropdown menus: 'Project Type' with 'Residential' selected, and 'Style Category' with 'Xpress' selected. Below these dropdowns, there is a section for 'Multiple Style Preferences' with a toggle switch that is currently turned off. At the bottom of the modal, there are two buttons: 'Cancel' and 'Create Project'.
