

- When a storage unit type is selected, only the description related to that specific unit type should be shown in the dropdown. For example, when we select the *Base Storage Unit* in the Unit Type dropdown, the description should display only the options related to the Base Storage Unit. However, currently the dropdown shows descriptions for all storage units such as Base, Wall, and Tall.

The screenshot displays a software interface for creating a quotation. A modal window titled 'Add Line Item' is open, showing a progress bar with five steps. Step 4, 'Enter Quantity', is the current step, with a text input field containing the value '1'. The modal also includes 'Back' and 'Next' buttons. In the background, the 'Quotation Summary' section is visible, showing a table with items and their costs. The 'Grand Total' is displayed as ₹4,07,116.1. The interface also includes a 'Material Specification' section and a 'Spaces' section with a 'Living Room' sub-section.

The screenshot shows a mobile application interface for adding a line item. At the top, there's a title bar 'Add Line Item' with a close button (X). Below the title bar is a progress indicator with six steps: 1 (selected, red), 2, 3, 4, 5, and 6. The main content area is titled 'Step 1: Select Item Type' with the instruction 'Choose what type of item you want to add'. There are five selectable options, each in a rounded rectangle: 'Woodwork' (Cabinets, storage units, wardrobes) is marked as 'Selected' in red; 'Accessories' (Hardware, handles, accessories); 'Services' (Installation, labor, services); 'Lights' (Lighting fixtures); and 'Stone/Quartz' (Countertops, surfaces). At the bottom, there are two buttons: a 'Back' button with a left arrow and a 'Next' button with a right arrow.
